

## Clustering Workshop

INSPIRE Conference, Aalborg (Denmark), 16-20 June 2014 (IT)

“A clustering approach to eENVironmental Services for advanced applications and capacity building within INSPIRE and SEIS”

### Agenda

Tuesday, June 17, 2014 Badstuestræde 9/auditorium 1, 14:00-16:00	
14:00 - 14:10	Workshop Introduction (G.Saio, GISIG)
	<b>eENVplus Session</b>
14:10 - 14:24	The eENVplus vision towards a eENVironmental service Infrastructure and European policies (C.Attardo, GISIG)
14:24 - 14:38	Data transformation and validation (G. Martirano, EPSIT)
14:38 - 14:50	LusTRE - Linked Thesaurus fRamework for Environment (M. DeMartino, CNR-IMATI – A. Abecker, Disy))
14:50 - 15:03	eENVplus Infrastructure (P.Cipriano, SINERGIS – U.di Staso, GRAPHITECH)
15:03 - 15:22	Pilot Applications deployment (C. Cipolloni, ISPRA – O.Peeters, VMM)
15:22 - 15:30	Stakeholders involvement and conclusion first part (G.Saio, GISIG)
15:30 -16:00	<b>Coffee break</b>

Tuesday, June 17, 2014 Badstuestræde 9/auditorium 1, 16:00-17:30	
16:00 – 16:10	Workshop Introduction (G.Saio, GISIG)
	<b>LIFE-IMAGINE Session</b>
16:10– 16:20	Landslides in coastal zones (C. Cipolloni, ISPRA)
16:20 – 16:30	Soil consumption in coastal zones (M. Corongiu, LAMMA)
	<b>GeoSmartCity Session</b>
16:30 – 16:40	Green Energy (P. Cipriano, SINERGIS)
16:40 – 16:50	Underground (M. Cabello, TRACASA)
	<b>LINKVIT Session</b>
16:50 – 17:00	Business Processes in INSPIRE (D. Vandenbroucke, KU Leuven)
17:00 – 17:10	Training Frameworks to support Capacity Building (R. Molina, GISIG)
17:10 – 17:30	Discussion and Conclusions of the workshop
