

Minimum information required in the mandate document indicating the Shipping company having ETS obligations

Each mandate can be drawn up freely, but shall include at least the following information:

1) For the ISM Company mandated by the Shipowner:

- Name
- IMO unique company and registered owner identification number
- Country of registration (as recorded under the IMO Unique Company and Registered Owner Identification Number Scheme)

2) For the Shipowner:

- Name
- IMO unique company and registered owner identification number
- Contact person (first name, last name, job title, business address, business telephone number, business email address)

3) For each ship falling within the scope of the mandate:

- Ship name
- IMO Ship number
- date of application of the mandate for the specific ship (dd/mm/yyyy)

Please note! The date of application shall be indicated for every single ship (even if it is the same for all the ships) and it must be 1st of January 2024 or the date of the first voyage falling within the scope of Article 3ga of Directive 2003/87/EC. In case the ownership of a ship starts at a later date, the Shipowner shall indicate in the mandate such date for that ship.

4) Clear indication that the ISM Company has been duly mandated by the shipowner to **comply with MRV obligations and ETS obligations.**

5) **Reference to:**

- ✓ Commission Implementing Regulation (EU) n. 2023/2599
- ✓ Commission Delegated Regulation (EU) n. 2023/2904 amending Delegated Regulation (EU) n. 2019/1122

Attention! The mandate shall be signed **both** by the Shipowner and the ISM Company
